Dear Sir or Madam,

I am writing you concerning my bachelor thesis project. As the topic of my bachelor thesis is the role of Municipal Association in the political process I am contacting you as the specialist in the field of my study.

One part of my research uses a statistical data describing the financial resources of the Association as one of the source of indicator of Association characteristics.

Unfortunately I could not find any data concerning the Association budget and financial report and therefore I am contacting you. Could you please either send me a link to a report wo I could retrieve the data by myself or to send me the data?

I specifically need three main statistical data:

- 1) What is the total budget the Association work with.
- 2) What are the expenses for administration.
- 3) What are the other expenses of the Association.

Thank you very much for your time and answer!

Please be sure that all the data will be used for academical use only.

Yours Faithfully,

Michal Hinda
