

**Project teaching on the regional history of the town of Dobříš in the 20th century**

Gita Otavová

**Abstract**

Diploma thesis deals with the project teaching and regional history of the town of Dobříš. The research part of the thesis contains proposal of project teaching on the topic of the history of the town of Dobříš in the 20th century. Pupils explored regional history of the town and architecture and regional monuments located in the town and its surroundings especially. Pupils revealed how these sites have changed during the 20th century. They compared the history development with the present situation of the buildings. They explored for example the castle of Vargač, the chateau of Dobříš, so-called Cultural House, House and Gym of Sokol Association, secondary school building and Kopáček's house.

**Key words**
