

Yalin Yucel Master's thesis

After reviewing Yalin's thesis, I believe that he has met the requirements for his Bachelor's thesis. Considering the legalization of cannabis in various parts of the world, it is an interesting topic that is becoming more

My only concerns regarding his thesis are that it is a review and is not an experiment. However, considering ethical requirements, an experiment on this topic would be impossible. Nevertheless, for a Bachelor's thesis, Yalin has met the requirements, in my opinion.

Considering the novelty of the idea/topic, the practical knowledge acquired, and the well-written thesis, I recommend that Yalin pass with a moderate mark: 2.
