

**Title of the Dissertation:**

The Development of Ice Hockey in Havlíčkův Brod

**Aim of the dissertation:**

The aim of my dissertation is the documentation of such a popular sport like ice hockey, undoubtedly popular throughout our Republic, particularly in Havlíčkův Brod from its inception upto the present day.

**Method:**

Researching on archive materials and going through periodicals was very helpful to me. I have also used interviews with veteran hockey players as well as the contemporary stars of world hockey, who in fact come from the Brod Kotlina(Basin).

**Key words:**

Ice hockey, Basin, Jiskra Havlíčkův Brod, winter sports stadium
