

Abstract

- Titles:** Rescue Company of Rescue unit dislocated in Jihlava
- Objectives:** The goal of this thesis is to summarize information about a Rescue unit of the Fire Rescue Service of the Czech Republic of the Czech Republic and about a 4th Rescue Company dislocated in Jihlava.
- Methods:** Methods used in this thesis are descriptively-analytical. To work out this thesis the search of study sources and recherche of obtained study sources was used.
- Results:** The result of this thesis are summary information about a Rescue unit of a General Directorate of a Fire Rescue Service of the Czech Republic and about a Rescue Company dislocated in Jihlava. The Jihlava Rescue Company helps other units of the Integrated Rescue System with interventions during the extraordinary (emergency) situations, but the frequency of it's interventions is significantly lower. Since the establishment, the Jihlava Rescue Company has been accomplishing it's missions assigned by the Ministry of the Interior and by the General Directorate of a Fire Rescue Service of the Czech Republic.
- Keywords:** rescue, company, unit, firemen, integrated rescue system
