

The aim of the paper "European Policy of Great Britain in the years 1959-1963" is to monitor and examine the process of the development and the results of the European policy of the Great Britain since the end of the Second World War until January 1963. The work is mainly focused on the accession negotiations between the Six and the United Kingdom to the European Communities in the period 1961 -1963 when the UK application for the membership in the Common Market was definitely rejected by France.
