

## **Abstract**

The diploma thesis deals with the analysis of the party system in Ukraine after the Revolution of Dignity. At the beginning of the work, changes in the party system of Ukraine in different time intervals will be analyzed. Subsequently, the work will focus on research into the development and changes in the party system of Ukraine after the Revolution of Dignity. The events of the Revolution of Dignity and, as a result, the complete liquidation of the dominant political party had a huge impact on Ukraine's party system. Following the fall of the Viktor Yanukovich regime and the former president's flight to Russia, the 2004 constitution of Ukraine was renewed. All the highest institutions of state power were restored. The process of reforming the constitutional principles of the organization of power, which concerns its various branches and levels, has begun. The main goal of this work is to identify the changes that have taken place after the Dignity Revolution and to analyze the main factors influencing the development of Ukraine's party system in this and other phases.
