

Abstract

Bachelor thesis deals with T.G.M's opinions about Europe's arrangement and affects their development in the time shortly before the first world war, during the war and also shortly after the war. The goal of this thesis is to describe the changing of these opinions, summarize them and understand the changes. A further vote is devoted to Czechoslovakia, briefly describe his origin and characterize its policy according to T.G.M. After the brief introduction, the introduction of goals and methods of work and characteristic of sources follow the next chapters which are focused on the topic, which are divided into thematic units, the chapters are chronological. The attention is also paid to analysis of Masaryk's basic books. The separate chapter then fulfils a partial goal of the thesis, which characteristic Czechoslovakia and its origin. In the end, there is a summary.
