Průběh obhajoby: The Defense Committee Chair initiated the defense by verbal statements confirming (i) that a satisfactory number of Defense Committee Members were present, (ii) that the student fulfilled all the requirements as listed in the Study and Examination Code of Charles University including showing the appropriate documents. At the beginning, the curriculum vitae of Vladimír Novak was presented. Following this presentation, Vladimír Novak started the presentation of the dissertation "Essays on Costly Information Acquisition in Economics", acquainting the Defense Committee with the main topics, methodologies, and findings of the dissertation. After reading the referees' (appointed by the Graduation Council) comments, an open discussion followed. During the discussion, Vladimír Novak satisfactorily answered all the questions from the audience.

Marek Kapicka: What are the necessary assumptions on the cost function properties so that your result is valid?
Vladimír Novak answered

Filip Matejka: On the previous slide – advisor, why is it different, was there some noise?
Vladimír Novak answered

Filip Matejka: Exactly. So, which one did you use? Did you use one of these?
Vladimír Novak answered
