Title of Thesis: Study of influence of hydrophilic carriers on the dissolution rate of a BCS II drug

Correction: incorrect link to the equation on page 41 (1 instead of 7)

Original text: page 41 row 25

Corrected text:

With the use of the equation number 7 which was obtained from the calibration curve; the concentration c in each interval (g/l) was calculated:

Correction: there are missing values on the y-axis in Figure 21 (only 0.0 is given)

Original text: page 64

Corrected text:

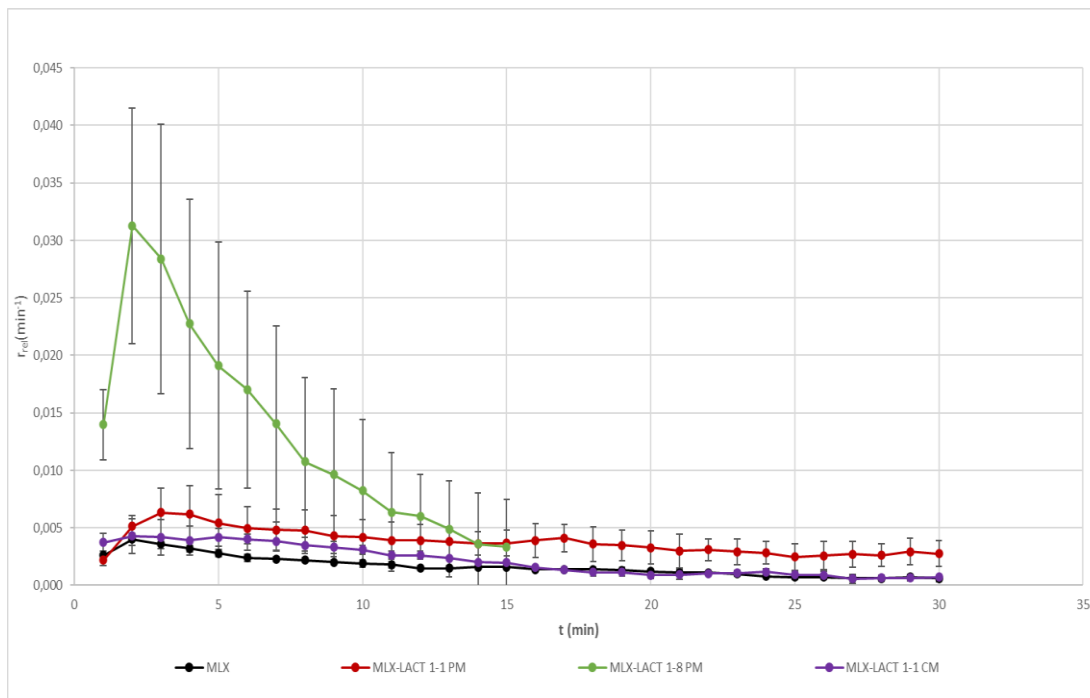

Fig. 21: Relative dissolution rate
