Průběh obhajoby: The Defense Committee Chair welcomed present committee members and all participants that and joined the defense online in Microsoft Teams.
The Defense Committee Chair initiated the defense by verbal statements confirming (i) that a satisfactory number of Defense Committee Members were present, (ii) that the student fulfilled all the requirements as listed in the Study and Examination Code of Charles University.

The Defense Committee Chair introduced all committee members and asked Hana Džmuráňová to present her dissertation thesis. Hana Džmuráňová shortly described the main findings of the dissertation. Afterwards, Hana Džmuráňová focused on the 2nd chapter called "A Duration of Demand Deposits in Theory" in more detail. After reading the referees' (appointed by the Graduation Council) comments, an open discussion followed. During the discussion, Hana Džmuráňová satisfactorily answered all the questions from the audience.
During the Defense Committee voting, Hana Džmuráňová left the room, the audience left the online room, and then committee members voted.

Question 1: Retail side was more studied, the corporate side could be studied more.

Answer: I agree with the point - one new article covers this topic for another European country.

The committee members were satisfied with the answer.
