*The bachelor's thesis deals with the life of an important Sokol official František Pecháček. Chronologically, he describes Pecháček's life from birth to his activity in ČOS. He follows Pecháček's representation of Czechoslovakia at international gymnastics competitions. He also focuses on his career in the Czechoslovak army and his activities at the Military School of Physical Education at the Ministry of National Defense and later at the Sokol training schools at the Czechoslovak Sokol community. He analyzes Pecháček's Sokol anti-Nazi resistance activities and his role in helping Czechoslovak paratroopers prepare for the assassination of Reinhard Heydrich.*
