

This project is trying to get into Maori 's history, culture and conflicts of Maori's population. It describes inhabiting New Zealand by Moari, discovering these islands by Abel Janszoon Tasman and conflicts that came up during the conquering of New Zealand by European colonists, because of the diversity of both cultures. The important part of Maori's history includes war conflicts until mid 20's, when the renaissance of the falling culture started to happened. Since the end of the world war II. the New Zealand goverments are trying to settle down all the harms done to the Maoris in the past and they are slowly trying to get used to these changes.
