Exam questions

Grade

How would you evaluate the effectiveness of the programs introduced (maybe, more methodology question than numbers)

5

Can you comment of the dynamic moment, when during the communist times beer became part of the social contract and problems of alcoholism became debated only in the 1980s?

5

What are other, social factors related to suicide rate?

4,5

Can those social factors indicate that particular social/minority groups should be targeted by anti-suicide programs?

5

Could you name one of the most important pieces of academic work in the field of social sciences that touch upon suicide?

5

Why do you think seasonality is so relevant to the phenomenon of suicide?

4

The Examination Board ascertained that the Candidate Aleksander Gustaw Jaworski had passed the **Magister** examination with the grade: **Very Good**

Taking into consideration:

the average grade of studies	4,16 *	4 =	16,640
the grade awarded on the thesis	3,5 *	3 =	10,500
the present examination grade	5 *	1 =	5,000

Grade of studies: (32.14/8) **4,02**

the Examination Board decided to award the Candidate the degree of **magister**

Grade of studies (to be entered on the diploma):
