

Abstract

HRUBÁ, Kateřina. *Bullying in elementary schools in connection with Ukrainian pupils*. Prague, 2023. Thesis. Protestant Theological Faculty of Charles University.

The diploma thesis entitled *Bullying in elementary schools in connection with Ukrainian pupils* deals with the problem of bullying in elementary schools. It is primarily aimed at Ukrainian pupils who attend Czech schools as a result of the war conflict, but it deals with this negative phenomenon in general, its forms, prevention, solutions, etc. The theoretical part consists of 2 chapters, the 3rd chapter is devoted to research. The main goal of my diploma thesis is to find out whether Ukrainian pupils are bullied in primary schools. A qualitative research strategy is used using the technique of semi-structured interview.
