

Summary

This bachelor thesis elaborates the issue of the pilgrimage spirituality in the framework of spiritual experience, the Holy Scriptures and historical backgrounds. Concrete examples specify the basic elements of the pilgrimage spirituality, evangelization potential of pilgrimage and practical organizational aspects. It comprises an in-depth analysis of the program and its parts during the pedestrian pilgrimage. It deals with specific duties during the pilgrimage, seen from the point of view of organization, liturgy, and time roadmap of the program. As the synthesis of the paper is building of pilgrimage spirituality, it should be used as a tool for pilgrimage organizers, taking into account both logistical aspects and deep spiritual experience.
