Title: Hellenistic wall painting

Author: Danica Dekýšová

Department: Institute for classical archeology, Charles University

Supervisor: PhDr. Ladislav Stančo, PhD.

Supervisor's email: ladislav.stanco@ff.cuni.cz

Abstract: The work focuses on monuments with preserved original Hellenistic paintings. It gives a description of these monuments and a detailed analysis of the extant murals. It also follows motifs used on paintings and it looks for parallels to these themes on older funerary monuments. Marginally the work deals with Roman copies of lost Hellenistic originals.

Keywords: wall painting, Hellenistic tombs, Hellenistic grave stelae
