**Vendula Vašátková: Zdena Fibichová (1933 – 1991), Life and Work of
Czech Sculptress**

Annotation:

The work and life of sculptress Zdena Fibichová is what the thesis deals with. It is observed period of studies under prof. Josef Wagner, in whom she found a great example, during searching her authentic expression in the sixties to her mature sculptural era, ended with her sudden death in 1991
