

## **Annotation**

I'm focused on projects in the after-school club. In my baccalaureate work „The ghostly Prague: the projects in the after-school club”.

The empirical part in focused on four projects, which I made in 2009/2010 school year with the pupils of second class of primary school in the after-school club. My aim was make projects with are connected with places around our school.

**Key words:** project, legend, after-school club
