

## **Abstract**

The Diploma Thesis *Planning Students' Learning during Wallachian Open Air Museum Field Trip* is based on a description of three sites of Wallachian Open Air Museum – The Wallachian Village, The Wooden Townlet and The Water Mill Valley - describing their functional use. This theoretical part is supplemented also by information on the delimitation of Wallachia, its history and specific features and on open air museums. The practical part of the Diploma Thesis is oriented towards the field trip in Wallachian Open Air Museum from the didactical point of view. The educational programs available for students in Wallachian Open Air Museum are described there. Important is the draft of the Wallachian Open Air Museum field trip using the guide worksheets which are also a part of the thesis. Primarily the practical part could lead to the fulfilling of the aim of the thesis which is notification of interesting Wallachian area and an effort to expand knowledge and information about it through teaching.
