

Annotation

This thesis contains chosen historical sections from the first written reference till present. Special attention is paid to the epoch of the second half of 20th century, the era of communist totalitarianism, contemporary confirmations, happening after the „velvet revolution“. Considering confirmation and data assembly it is possible to come to a conclusion, the nationwide events considerably did mirror even in this parish. The main aim of this thesis consists in intention to make public acquainted with selected historical chapters of this parish. Some of these sections were not compiled so far. There is not a parish chronicle from the second half of the 20th century. In the context of a written introduction to the parish of Bystré, I pay my attention to the religious treasure of this parish. These sightseeing passed through exacting reparations and numerous arrangements even at the time of that totalitarianism.
