

ABSTRACT

Name:

Suffering and meaning of life in the frame of Jewish culture

Goals:

To consider the fact if there is an impact of the heritage of Jewish nation on the temporary world. To remind the things we can receive from Jewish culture. To remind the suffering of Jewish nation. To help to demonize off this nation and to try to understand his role in this world.

Methods:

Historical study

- a study of monograph and magazine publications
- information from lectures of the Educational and cultural center of Jewish museum

Results:

I hope I was able to point out that Bible words can speak to modern people. The message of the Book of books is still fresh. Moral codex – Ten Commandments sure has impact our lives.

Key words:

Bible, God, Jewish nation, rituals
