

## **ABSTRACT**

### **Goal of work:**

To map the important events and historic moments and milestones include them in the context of the Kladno hockey history since the early seventies of the twentieth century to the year two thousand.

### **Method:**

Analysis of documents, case studies, macroanalysis, structural analysis

### **Results:**

The collected data show that during its existence Kladno became a hockey town, won the championship six times first league in Czechoslovakia. Kladno was able to bring countless hockey talents and personalities who wrote and will write the history of hockey not only positively but also in the world.

Keywords: Ice hockey, HOSK Kladno, TJ POLDI SONP Kladno, HC Kladno, Jaromír Jágr
