Apostolic and Church Fathers Helebrantová Eva Resumé : All this work is trying a simple and comprehensible way open for the operation of the Apostles. What troubles experienced proponents and what consequences should their sermons to individual Christians. Often deals are a form of penance, which is related to the constant diversion of believers who are left to lead you the wrong way. On the other hand, there appears asceticism and martyrdom, as the tendency to God. It turns out there great strength and determination. The entire season is even today for our very motivating and inspiring, both in spirit and in life itself.
