Dear Dr. Svobodova:

We are pleased to inform you that your manuscript has been accepted for publication in Analytical Chemistry. Your manuscript has been forwarded to the ACS Publications office.

You will be contacted in the near future by the ACS Journal Publishing Staff regarding the page proofs for your manuscript. After you approve your page proofs, your manuscript will be published on the Web in approximately 48 hours. In view of this fast publication time, it is important to review your page proofs carefully. Once a manuscript appears on the Web it is considered published. Any change to the manuscript once it appears on the Web will need to be submitted to the journal office as additions or corrections.

Thank you again for choosing Analytical Chemistry as a forum for the publication of your work.

With sincere regards,

Prof. Daniel W. Armstrong
