

Pilařová, A.: Photographic paraphrase of classic artwork. [Bachelor's thesis] Prague 2014 - Charles University in Prague, faculty of education, department of art, 63 p. (Attachments: 8 copyright photos, CD).

I tried to define the name "paraphrase" through analysis of answers from question-form and specialized publications in my bachelor's thesis. I charted basic acts of paraphrases in artistic field. I focused at these acts in fine art and photography. My collection of photographs is completed with descriptions of each photo and their alternatives. Didactic part is based on four exercises with classical artworks in which pupils of Elementary Art School work with drawing, painting and photographic game.
