

## **Abstract**

The bachelor thesis “Peace Initiatives of the International Community in Bosnia and Herzegovina in 1990 – 1993: Vance-Owen Peace Plan in the Realm of Contemporary Theories of Conflict Resolution and Peacemaking” analyzes the work of the International Community in Bosnia and Herzegovina between 1990 and 1990. The approach of the International Community towards the conflict and the attempt of its resolution through the Vance-Owen Peace Plan is analyzed on the basis of the contemporary theoretical approaches towards conflict resolution and peacemaking.
