

## **Abstract**

The thesis is focused on a specific area of intellectual property field, namely the system of protection of Intellectual property whose current form has been shaped by the international organizations, especially by the World Intellectual Property Organization (WIPO) and the World Trade Organization (WTO). There has therefore been allocated extra space in the thesis to make the reader familiar with these respective organizations, especially with their organizational structure, decision-making procedures and activities. Important part of the thesis is analysis of current relations between WIPO and WTO, including its negative aspects. The thesis also contains section devoted to possible future development of the relations between WIPO and WTO.
