

## **Course of defence**

### **Erasmus Mundus Special and Inclusive Education**

Student: Alfred Kimuyu Kavyu

Education of learners with special needs in a mainstream primary school in the Czech Republic: A Case study

Date: 10.12.2014

Alfred presented his dissertation project starting from the relevance of topic of the research project in his home country Kenya. Some differences and differences between those countirs were visualized in a slide. The research methods and findings followed. The exam board raised questions on the Czech legal framework related to special and inclusive education. The documents analyses of the educational policies in the Czech Republic provided in the dissertation were commented as not fully completed. Generalisation of the research findings in relation to the research sample was commented by tutor and the board.
