In my bachelor thesis deals with the problem of guilt and forgiveness on the basis of the authors Karl Jaspers and Dietrich Bonhoeffer. In the first part I discuss from a systematic point of view Jaspers distinguishing between the four concepts of guilt. In the second part I will focus on the concept guilt and forgiveness by D. Bonhoeffer. In conclusion, I write about the different views on the issue of guilt and forgiveness from a philosopher K. Jaspers and theologian D. Bonhoeffer.
