

Abstract

This Thesis is focused on the samizdat periodical called Information on Charter 77, which belonged to the important sources of spreading the informations within the dissent and publicizing the key thoughts and concepts of Charter 77. The periodical was publishing the Charter documents, communiques of the Committee for the Defence of the Unjustly Persecuted, brief messages about repression of the normalisation regime, dissident's letters addressed to the state organs, critical reviews and annotations of other samizdat periodicals and books and rarely the reflections on the economy. Topic of the research are personality profiles of the protagonists, functioning of the „independent“ editing, preparing and distribution of texts, forming of the distributional net, conspirative milieu (using codes, pseudonyms, conspirative apartments, konfidence etc.), financing and sending abroad.
