

Abstract:

Author: Angelina Staniševská

Title of the bachelor thesis: Czech Compatriots in Russian Novorossijsk

School: Charles University in Prague, Faculty of Philosophy

Year of publication: 2014

Number of pages: 40

This bachelor thesis deals with the issue of Czech emigration to Russia, more specifically to the city of Novorossijsk, it also deals with the issue of the culture of Czech compatriots, their habits and traditions from 19th century to the present. The aim of this thesis is to find out the origin of Czech compatriots and their quantity. The paper further deals with the question of socio-linguistic research among the Czech compatriots in Novorossijsk (nowadays compatriots' language situation).
