

Téma diplomové práce	Selected Organization and Association for Pharmacists in Greece
Jméno studenta, studentky	Christina Papamichail
Obhajoba diplomové práce konaná dne	3rd June 2015

III. Průběh obhajoby

Diploma student introduced to the Commission the content of his thesis and the knowledge of the issue and responded to comments and questions of the opponent and Commission members:

- 1) Is there difference between Hellenic and Panhellenic organisations?
- 2) Duties of members in PFS.
- 3) Where is possible to find results of control of Greek pharmacies? Are these results available for public?
- 4) How were evaluated valid internet sources?

Klasifikace

very good
