Name of thesis:

**Cardinal Beran`s Contribution to the field of pastoral work**

**Abstract**

Cardinal Josef Beran`s personality is shown from the point of view of a pastoral worker and a pastor with the help of analysis of Beran`s written works, namely within his pedagogical and educational activities, in the time of internment and in the Roman exile. The work describes Cardinal Beran`s pastoral activity as a pedagogue, a diocesan bishop and a cardinal based also on the research of other available sources
