

ABSTRACT

Rights and duties of the owner of the forest

This diploma thesis deals with the legal regulation of rights and duties of forest owner and defines the basic terms related to this topic.

The thesis consists of seven parts, whereas chapter one is introductory and chapter nine is conclusion. Chapter Two deals with the basic information of the history of the forest legislation. Chapter Three pays attention on the forest in the Czech republic and provides a description of different forest types located in our territory. Chapter Four provides legal definitions of basic terminology. Chapter Five mentions the ownership of forest owners and restrictions of their property rights. The main attention is paid to chapter Six and Seven, which include a summary of the most important rights and duties with which the forest ownership is undoubtedly associated. Chapter Eight deals with the liability of forest owner and sanctions, that may be required.

The aim of my thesis is to focus on rights and duties of forest owner within forest inventory etc. The main source of this work is the Forest Act.
