

The aim of the bachelor thesis “Influence of the National Minorities on the Party Systems of the Republic of Estonia and the Republic of Slovenia” is to compare the influence of national minorities on the party systems of Estonia and Slovenia. Numerous Russian minority and other minorities from former Soviet Union live in Estonia, where they form large part of population. Like other citizens they have civil rights, through which they shape the party system, political system respectively. In Slovenia live many citizens from former Yugoslavia and other surrounding countries. Thesis includes personal analysis of parliaments of both countries aimed at minority participation.
