Abstract

Title: Canoeing in the Czech Republic 2004 - 2013.

Objectives: The aim of the thesis has been to draw up the history of

the Czech canoeing between 2004 and 2013.

Methods: Standard methods have been used in the thesis, especially

the chronological method. The actual gaining of materials

has been achieved through a combination of the direct,

indirect and progressive methods.

Results: The content of this work deals with the organizational and

competition activities of canoeists in the Czech Republic

in the given period.

Keywords: Kayak, canoe, canoe sprint, canoe slalom,

wildwatercanoeing, Czech Canoe Union, International

Canoe Federation, European Canoe Association, history.
