Abstract

This bachelor's thesis deals with the person of JUDr. Karel Hostaš. The aim of the thesis is to map the scope of activities of JUDr. Karel Hostaš while focusing on his historiographical and archaeological activities. JUDr. Karel Hostaš was born, lived and worked in Klatovy and is therefore inextricably linked with Klatovy's region, however, his work, with its significance, has transcended regional borders. Following a chapter with his biography there are chapters that focus on the work of JUDr. Karel Hostaš: he was universally oriented person engaged in advocacy and notary, public political activities, collections, museum and ethnographic researches, archival science and literary activities. This is followed by the main section, which is devoted to historiography, archival and archaeological activities of JUDr. Karel Hostaš.
