Corrigenda

p. #: incorrect → correct

p. 25:

![Chemical structure image]

p. 50: [(MeO)FeI] → [(MeO)FeII]

p. 55: “…Their structure safely assigned.” → “…Their structure could not be safely assigned.”

p. 86: Configuration of the stable form of compound 6.11 was found to be cis-6.11 by X-ray crystallography and the NOE-based assignment in Figure 6.13 is not valid.
