

## Corrigenda

p. #: incorrect → correct

p. 25:

p. 50: [(MeO)Fe<sup>I</sup>] → [(MeO)Fe<sup>II</sup>]

p. 55: "...Their structure safely assigned." → "...Their structure **could not be** safely assigned."

p. 86: Configuration of the stable form of compound **6.11** was found to be **cis-6.11** by X-ray crystallography and the NOE-based assignment in Figure 6.13 is not valid.
