Dear Mgr. Vojtěch Šarše and doc. PhDr. Peter Pavúk, Ph.D.,

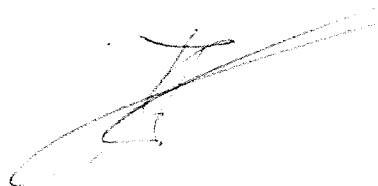

As response to your letter with Ref. no. 2016UKFF04074, my thanks for appointing me External Examiner (“opponent”) for the doctoral dissertation entitled *Distribution of Daunian pottery in Croatia and Slovenia, its influence along the Amber Route to Central Europe*, submitted by Lucilla Barresi who is a student in the doctoral programme History subject Classical Archaeology.

I enjoyed reading the PhD and in compliance with Article 7, Paragraphs 5 and 6 of the Dean’s Decree no. 10/2014, I declare that

1. The work submitted meets the standard customarily required of a doctoral dissertation;
2. I recommend the dissertation for a public defence;
3. The assessment of the dissertation is “Pass”.

My notes and comments while reading the dissertation will be elaborated for the public defence of the dissertation at Prague on Thursday, September 22.

Yours sincerely,

Dr. Albert Nijboer
