

Erratum to:

Study of function and molecular architecture of fungal nitrilases applicable in biocatalysis

Dissertation

Charles University in Prague

Faculty of Science

Study program: Biochemistry

Field of study: Biochemistry

Supervisor: Ing. Ludmila Martínková, CSc.

Prague, 2015

Abbreviations:

Correct spelling of the organism names:

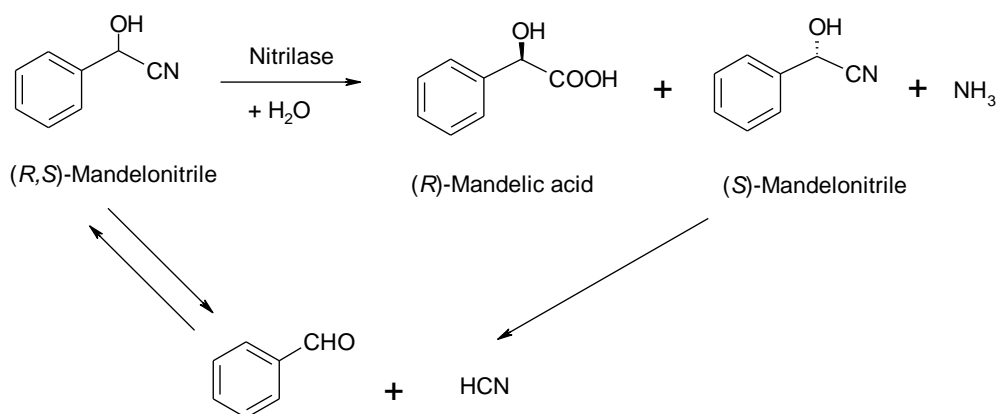

Gibberella moniliformis

Meyerozyma guilliermondii

Pichia guilliermondii

Page 30, Fig. 1.4:

In the original picture, the structure of (S)-mandelonitrile is incorrectly depicted with a carboxyl group (-COOH) instead of a nitrile group (-CN). Correct form of Fig. 1.4:

Pages 38, 40 and 41, Fig. 3.3, 3.4 and 3.5:

The y axis in the graphs in the original pictures is marked with incorrect units. The correct units are:

$U\ mg_{dcw}^{-1}$

Page 67, first paragraph:

Correct spelling of the organism name: *Taxus brevifolia*

Page 96, Supplementary figure S1:

Correct spelling of the organism name: *Gibberella moniliformis*
