

Abstract

This thesis is focused on folkloristic work in Chodsko at the end of 19th and beginning of 20th century. The earlier folkloristic work in this area is represented by Božena Němcová. Then there are basic pieces of information about folklore area Chodsko. The authors published their findings in the ethnological magazine *Český lid* published by Čeněk Zíbrt 1892 – 1914 and then from 1924 to Zíbrt's death in 1932.

Keywords

folklore, ethnographers, Chodsko, periodical *Český lid*
