D. Th. František Norbert Hrachovský, O.Praem (1879-1943) was a regular priest in the Premonstratensian monastery in Nová Říše. He has been covered in the beatification process of Pavel Souček and his fellow-friars from the Premonstratensian monastery in Nová Říše.

This work I submit deals with the life and, in particular, the work of this Czech regular priest, philosopher and translator. It is divided into four chapters. The first chapter introduces the sources used while compiling this work. The second chapter presents its critical biography. The third chapter is entitled “Bibliography” and presents an entire list of his work: monographs, translations, contributions to various anthologies, and newspaper articles. The fourth section contains a summary of his bibliography in the time sequence, in which D. Th. František Norbert Hrachovský, O.Praem created his works.

This work aims to provide a basis for appreciation of the work and to evaluate the life of this notable member of the Premonstratensian Order.
