

Abstract

Aim of this bachelor's thesis is to characterize the current state of judicial libraries in the Czech Republic. Judicial system in the Czech Republic and the organization of court libraries are described in this work. Aim of this bachelor's thesis is to find out how and by whom are court libraries managed, how big is their fund, who is in charge of the library and what services they provide for judges. Libraries selected for the comparison are library of the Constitutional Court in Brno, Library of the Czech Supreme Court and the Library of the Arbitration Court in Prague.
