

## **The beginnings of totalitarian legislation in The Czechoslovak Republic in the years 1948-1952**

### *Abstract*

This work aims to document the most fundamental deformation rule of law in favor of the communist totalitarian rule in the early phase of its onset ie. from 1948 to 1952 and also point out the fundamental contradiction between state law, ie. legal norms declared a state of de facto, ie. actually enthroned.
