

This thesis focuses on the process of the conquest of Britain by the Romans and the construction of the Roman limit from 77 to 211 AD. At work, I will describe the events of the military campaign, their implications in the creation of the province Britannia. Next, I will focus on the construction of limit, its parts, its location and importance from a strategic perspective. In the last phase of the thesis I will describe the form of a limit on the beginning of the 3rd century AD. during the reign of Septimius Severus and division of the province Britannia into two parts.
