

Abstract

Master thesis Religious circumstances in Russia at the beginning of the 20th century will deal with religio-spiritual situation within czarist Russia since the dawn of 20th century till the rise of Bolshevik regime in 1917. It aims not only to analyse and describe religious circumstances of contemporary Orthodox church, but also reflect those circumstances in "minority" religious communities. It introduces the state at which the Orthodox church was at and enlighten the situation, that was influenced both by Russian course to industrial society and the outbreak of the First world war and revolution at 1917.
