

## Annotation

First part of the bachelor thesis consists of a translation from French into Czech of a large part of the essay „La Personne et le sacré“ of the French author Simone Weil, that was published by Éditions Gallimard publishing house in 1957 as a part of the collection of essays and letters *Écrits de Londres et dernières lettres*. The second part of the thesis offers a commentary of the translation that begins by a source text analysis, then continues with a chapter on the translation concept, the translation problems and their solutions. Following are typologies of translation procedures and translation shifts.
