The bachelor thesis *Online movie reviews of a biographic Bohemian Rhapsody and users comments in Česko-Slovenská filmová databáze* compares and analyzes domestic and foreign selected movie internet reviews and user comments on Česko-Slovenská filmová databáze and foreign databases.

The first part of the thesis deals with the theoretical definition of the genre of review, criticism and commentary, the biographical film is defined and the dramatic structure of the film work is described. Following is the characteristics of the media that will be monitored in the thesis. The thesis describes Czech and foreign websites from which the reviews were drawn and also describes the essence of Czech and foreign film databases.

The second part is dedicated to the Queen, its beginnings and successes and the life of the frontman of the band Freddie Mercury is analyzed. The thesis further analyzes the film *Bohemian Rhapsody*, compares reality with the depiction in the film and deals with the complications that arose during the shooting.

The final part is focused on the analysis and comparison of internet film reviews, which were published by various Czech and foreign websites, and user comments on the Česko-Slovenská filmová databáze and foreign databases. Reviews and user comments are compared from a linguistic, formal and content perspective. The aim of this work is to try to find out whether the opinions in the user comments are the same or different from the opinions in the professional reviews.
